CLAY MODELLING COMPETITION

Grades: Nursery – KG

Theme: Under the Sea

Dear Parents

Greetings!

Creativity blossoms when children are encouraged to explore and express their imagination. Clay modelling is a wonderful hands-on activity that strengthens fine motor skills, enhances creativity, and develops concentration while making learning enjoyable. To nurture these skills, we are delighted to conduct a **Clay Modelling Competition on 19 August 2026**. The theme for the competition is '**Under the Sea**.' Children are encouraged to create any underwater scene or sea creature using clay. Kindly note that clay will be provided from school.

Judgement Criteria

1. Creativity
2. Neatness
3. Relevance to the Theme
4. Overall Presentation

Sample ideas

We look forward to seeing our little artists bring the magical underwater world to life through their imagination and creativity.

Warm Regards,
Ms Rashmi Kapoor
Deputy Principal

Little Chef Activity – "Corn Chaat Delight"

Grades: Nursery – KG

**Dear Parents,
Greetings!**

"Cooking is a wonderful way for children to explore, create, and learn while having fun."

We are delighted to conduct a **Little Chef Activity – Corn Chaat Delight** for our Kindergarten students on **Monday, 24th August 2026**. This engaging no-fire cooking activity will help children develop fine motor skills, independence, creativity, and healthy eating habits while enhancing their confidence, sensory exploration, and ability to follow simple instructions through hands-on learning.

Materials Required

- 1 small bowl of boiled sweet corn
- 1 tablespoon finely chopped cucumber
- 1 tablespoon finely chopped tomato (de-seeded)
- 1 tablespoon grated carrot
- A pinch of chaat masala
- Lemon half
- 1 small spoon
- 1 napkin

Kindly ensure that all ingredients are neatly packed, and sent in separate labelled containers.

We look forward to a joyful culinary experience where our little chefs will mix, create, and enjoy their healthy Corn Chaat with great enthusiasm!

Warm Regards,
Ms. Rashmi Kapoor
